

## Learning Objective:

Familiarize attendees with the service provisions and general overview of the Yellowknife Housing First Program, providing attendees with our successful program implementations to consider in order to decolonize their work/programs and improve success and highlight challenges and potential solutions around operating a Housing First program in a small rural community.

A program and demographic overview will be given (10mins)

- Unique participant needs
- Overall service provision
- A look at day to day

## Highlighted challenges

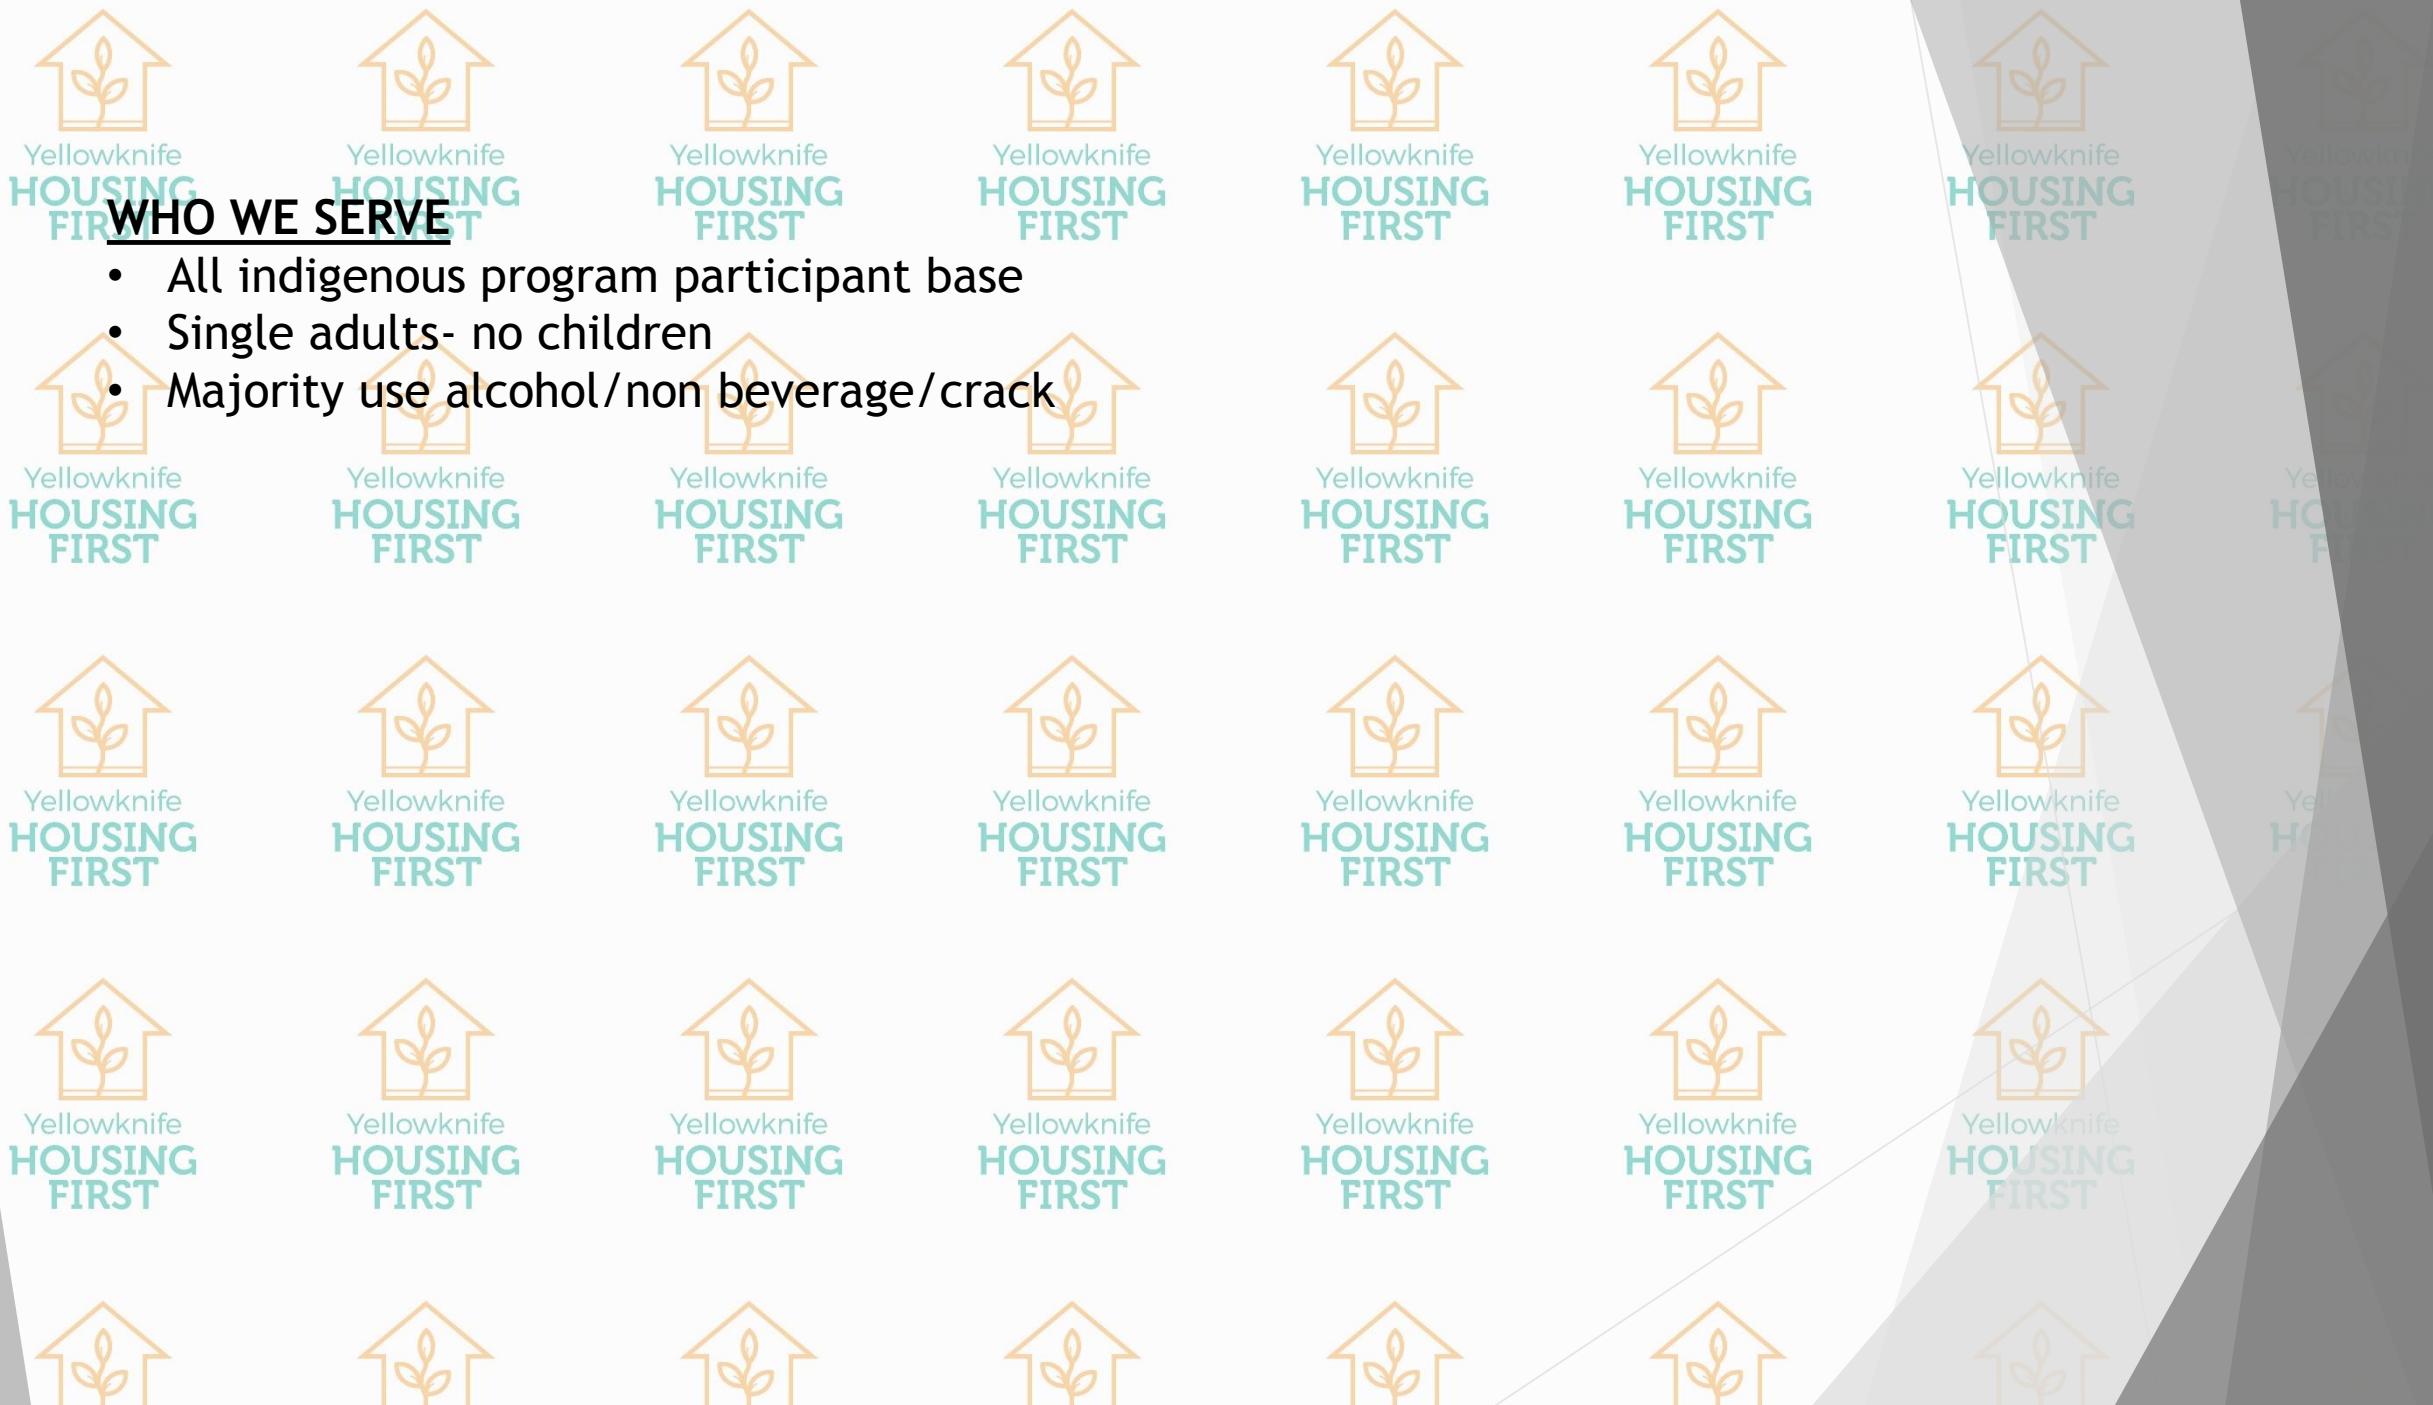

- Community stigma and challenge of true integration (5 mins)
- Limited medical and mental health access (5 mins)

## Highlighted successes

- 24 Hour On Call Support (5 mins)
- Cultural programming (5 mins)

Yellowknife  
**HOUSING  
FIRST**
